## EAGLE POINTE GOLF RESORT

Discover the beauty of Indiana's best-kept secret when you visit Eagle Pointe Golf Resort, located on the scenic wooded bluffs overlooking beautiful Lake Monroe, just minutes from downtown Bloomington and the Indiana University campus. Enjoy the many on-site amenities including golf, tennis, basketball, swimming, dining, banquet/meeting facilities and luxurious lakeside condominiums.

Beautiful rolling hills, lakeside views, cascading waterfalls and over 100 sand bunkers will challenge your golf skills as you relax your spirit. The 6,700 yard par 71 championship course offers four sets of tees for your enjoyment as well as a full service golf shop, driving range and practice greens. This demanding course requires accuracy with out-of-bounds at each hole.

The golfing is spectacular, but it's the unique amenities and local attractions available at the end of your round that make Eagle Pointe a one-of-a-kind experience. Enjoy a romantic getaway in a one bedroom condo with a cozy fireplace or check out the six bedroom party condo, complete with hot tub, pool table, poker, darts, Internet access and flat screen TV for larger groups.
